SCHOOL FINANCIAL POLICY

It is our desire to provide families a quality Christian Education at a reasonable cost. Because we depend on the faithfulness of our families to provide the greater part of our income through tuition and fees, we require each family to agree to the financial guidelines set up by the school.

Families will be responsible for all the fees applicable to their students. If monthly payments are not made within 60 days of the due date, the student will not be allowed back in school until arrangements have been made with the administrator. If the enrollment fee has been waived for pre-enrollment, the first month tuition amount is non-refundable. There will be a \$25 fee for all returned checks.
